IN FAVOUR OF:

Executive Officer, Barbil Municipality, with its principal office at [●] (hereinafter referred to as the **Authority**, which expression shall unless repugnant to the context or meaning thereof include its successors and permitted assigns).

WHEREAS

- A. The Authority has entered into a Supply, Installation, Operation and Maintenance Agreement dated [insert date] (the "**Agreement**") with [Name of the Selected Bidder], with its registered office at [Registered office address] (hereinafter referred to as the **Operator**, which expression shall unless repugnant to the context or meaning thereof includes its successors and permitted assigns).
- B. In terms of Clause 9 of the Agreement, the Operator is required to furnish to the Authority, an unconditional, irrevocable, on demand bank guarantee for an amount of INR 3,00,000 as security for due performance of its obligations under the Agreement during the commencing from the date of this guarantee until the Transfer Date (**Guarantee Term**), including any amounts due and payable by it to Delay Liquidated Damages or Performance Liquidated Damages that it is liable to pay under the Agreement.
- C. At the request of the Operator and for sufficient consideration, the Guarantor has agreed to provide an unconditional, irrevocable and on-demand bank guarantee for the due and punctual performance/discharge by the Operator of its obligations under the Agreement during the Term, including any Delay Liquidated Damages or Performance Liquidated Damages that the

Operator is liable to pay under the Agreement.

NOW THEREFORE THIS DEED WITNESSETH AS FOLLOWS:

1. Capitalised terms used herein but not defined shall have the meaning ascribed to them in the Agreement.
2. The Guarantor hereby irrevocably and unconditionally guarantees and secures, as primary obligor and not merely as guarantor, to the Authority, the payment in full of all amounts at any time that may be due, owing or payable to the Authority from the Operator for the failure of the Operator to duly and punctually perform all of its obligations under the Agreement during the Guarantee Term ("**Guarantee**"), without any demur, reservation, protest or recourse, immediately on receipt of a demand from the Authority.

The Guarantee is given on consideration received from the Operator (the receipt and sufficiency of which is hereby acknowledged).

The Guarantor agrees that the value of the Guarantee shall at all times be maintained at the amount of **INR Lakhs** ("**Guaranteed Amount**").

The Guarantor further agrees that this Guarantee does not limit the number of claims that may be made by the Authority against the Guarantor. Upon a payment being made under this Guarantee, the amount of the Guarantee shall automatically be replenished to the full Guaranteed Amount.

Any payment made hereunder shall be made free and clear of and without deduction for, or on account of, any present or future Taxes, deductions or withholdings of any nature whatsoever and by whomsoever imposed, and where any withholding on a payment is required by any Applicable Law, the Guarantor shall comply with such withholding obligations and shall pay such additional amount in respect of such payment such that the Authority receives the full amount due hereunder as if no such withholding had occurred.

3. The Guarantor shall not go into the veracity of any breach or failure on the part of the Operator or validity of demand so made by the Authority and shall pay the amount specified in the demand notwithstanding any direction to the contrary given or any dispute whatsoever raised by the Operator or any other Person. The Guarantor's obligations hereunder shall subsist until all such demands are duly met and discharged in accordance with the provision hereof.
4. The obligations of the Guarantor herein are absolute and unconditional, irrespective of the value, genuineness, validity, regularity or enforceability of the Agreement or the insolvency, bankruptcy, re-organisation, dissolution or liquidation of the Operator or any change in ownership of the Operator or any purported assignment by the Operator or any other circumstance whatsoever which might otherwise constitute a discharge or defence of a guarantor or a surety.

Further, this Guarantee is in no way conditional upon any requirement that the Authority shall first attempt to procure the Guaranteed Amount from the Operator or any other Person, or resort to any other means of obtaining payment of the Guaranteed Amount.

5. In order to give effect to this Guarantee, the Authority shall be entitled to treat the Guarantor

as the principal debtor. The obligations of the Guarantor under this Guarantee shall not be affected by any act, omission, matter or thing which, but for this provision, would reduce, release or prejudice the Guarantor from any of the Guaranteed Amount or prejudice or diminish the Guaranteed Amount in whole or in part, including, whether or not known to it, or to the Authority:

- (a) any time or waiver granted to, or composition with, the Operator or any other Person;
 - (b) any incapacity or lack of powers, authority or legal personality of or dissolutions or change in the status of the Operator or any other Person;
 - (c) any variation of the Agreement so that references to the Agreement in this Guarantee shall include each variation;
 - (d) any unenforceability, illegality or invalidity of any obligation of any Person under the Agreement or any unenforceability, illegality or invalidity of the obligations of the Guarantor under this Guarantee or the unenforceability, illegality or invalidity of the obligations of any Person under any other document or Guarantee, to the extent that each obligation under this Guarantee shall remain in full force as a separate, continuing and primary obligation, and its obligations be construed accordingly, as if there were no unenforceability, illegality or invalidity;
 - (e) the partial or entire release of any Guarantor or other Person primarily or secondarily liable or responsible for the performance, payment or observance of any of the Operator's obligations during the Term; or by any extension, waiver, or amendment whatsoever which may release a guarantor or Guarantor, other than performance or indefeasible payment of a Guaranteed Amount; or
 - (f) any part performance of the Agreement by the Operator or by any failure by the Authority to timely pay or perform any of its obligations under the Agreement.
6. If, and to the extent that for any reason the Operator enters or threatens to enter into any proceedings in bankruptcy or re-organisation or otherwise, or if, for any other reason whatsoever, the performance or payment by the Operator of the Guaranteed Amount becomes or may reasonably be expected to become impossible, then the Guaranteed Amount shall be promptly paid by the Guarantor to the Authority on demand.
7. So long as any amount is due from the Operator to the Authority, the Guarantor shall not exercise any right of subrogation or any other rights of a guarantor or enforce any guarantee or other right or claim against the Operator, whether in respect of its liability under this Guarantee or otherwise, or claim in the insolvency or liquidation of the Operator or any such other Person in competition with the Authority. If the Guarantor receives any payment or benefit in breach of this Clause 7, it shall hold the same upon trust for the Authority.
8. This Guarantee shall remain in full force and effect from the date hereof until the Transfer Date.

Notwithstanding the foregoing, this Guarantee shall continue in effect until the sums payable under this Guarantee have been indefeasibly paid in full and the Guarantor receives written notice thereof from the Authority, such notice to be issued promptly upon such occurrence.

9. The Guarantor represents and warrants to the Authority that:
 - (a) it has the power to execute, deliver and perform the terms and provisions of this Guarantee and has taken all necessary action to authorise the execution, delivery and performance by it of this Guarantee;
 - (b) the Guarantor has duly executed and delivered this Guarantee, and this Guarantee constitutes its legal, valid and binding obligation enforceable in accordance with its terms except as the enforceability thereof may be limited by applicable bankruptcy, insolvency, moratorium or other similar laws affecting the enforcement of creditors' rights generally and by general equitable principles;
 - (c) neither the execution, delivery or performance by the Guarantor of this Guarantee, nor compliance by it with the terms and provisions hereof will: (i) contravene any material provision of any Applicable Law; (ii) conflict or be inconsistent with or result in any breach of any of the material terms, covenants, conditions or provisions of, or constitute a default under any agreement, contract or instrument to which the Guarantor is a party of by which it or any of its property or assets is bound; or (iii) violate any provision of the Guarantor's constituent documents;
 - (d) no order, consent, approval, license, authorisation or validation of, or filing, recording or registration with, except as have been obtained or made prior to the date hereof, or exemption by, any governmental or public body or authority, or any subdivision thereof, is required to authorise, or is required in connection with: (i) the execution, delivery and performance of this Guarantee; or (ii) the legality, validity, binding effect or enforceability of this Guarantee; and
 - (e) this Guarantee will be enforceable when presented for payment to the Guarantor's branch in [.....Name of the Place]at [●].
10. This Guarantee is a continuing one and all liabilities to which it applies or may apply under the terms hereof shall be conclusively presumed to have been created in reliance hereon. No failure or delay on the part of the Authority in exercising any right, power or privilege hereunder and no course of dealing between the Authority and the Guarantor, or the Operator, shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.
11. The rights, powers and remedies expressly provided in this Guarantee are cumulative and not exclusive of any rights, powers or remedies which the Authority would otherwise have. No notice to or demand on the Guarantor in any case shall entitle the Guarantor to any other further notice or demand in similar or other circumstances or constitute a waiver of the rights of the Authority to any other or further action in any circumstances without notice or demand.
12. If any one or more of the provisions contained in this Guarantee are or become invalid,

illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby, and the Guarantor shall enter into good faith negotiations with the Authority to replace the invalid, illegal or unenforceable provision.

13. The Guarantor hereby agrees to execute and deliver all such instruments and take all such actions as may be necessary to make effective fully the purposes of this Guarantee.
14. This Guarantee may be executed in one or more duplicate counterparts, and when executed and delivered by the Guarantor and the Authority shall constitute a single binding agreement.
15. The Authority may assign or transfer all or any part of its interest herein to any other person with prior written notice to the Guarantor. The Guarantor shall not assign or transfer any of its rights or obligations under this Guarantee.
16. All documents arising out of or in connection with this Guarantee shall be served:
